

Archived HVAC Emergency Response Policy

Document ID	HVAC-POL-2024	Status	archived
Effective date	2024-01-01	Owner	Facilities Operations

This document is archived and must not be used for current SLA decisions.

Former response targets

Under the former policy, emergency requests were acknowledged within 30 minutes and target on-site attendance was within 4 hours.

This document was superseded on 2026-01-01 by HVAC-POL-2026 and SLA-POL-2026.
